## AIR FREIGHT

EZRA assures the most effective air freight solution in terms of competitive pricing, fast and reliable transit times, and cost saving opportunities incorporating consolidations of air cargo. Through carefully negotiated agreements with various carriers, we can provide a fast and high class selection of services to suit every requirement. We offer air freight service worldwide. Prices offered to over 750 airports. Door to Door rates and services available. Dubai's proximity to the East as well as the West places us in an ideal position to handle air freight shipments worldwide, both export and import.

## SEA FREIGHT

The full range of ocean freight services includes full container loads (FCL), less than container loads (LCL) and non-containerized loads for oversized shipments. All ocean routing is directed through our experienced network of core and preferred carriers, affording the multiple advantages of the smoothest possible delivery efficiency using optimal connections, market competitive rates and protection of capacity during peak times, all of which are appreciated by our long standing customers.

## CUSTOMS CLEARANCES

EZRA employs a team of highly qualified licensed customs clearance personnel who are dedicated to providing our valuable clients with a complete range of Customs Clearance services. We also arrange for customs clearance and related documentation. Every country has its own set of customs related formalities, and our team will guide you through the entire process and required documentation. Our international network allows us to be up-to-date with the latest customs requirements

and procedures in various countries. The department is well versed in all aspects of custom clearance, like Harmonized System Code, the local procedures thus saving our customers valuable time. We handle all shipments, including single line shipments, multi-product shipments, temporary imports, trade shows, exhibition cargos, Ro-Ro Shipments etc. Ezra ensuring that you are aware of Customs regulations regarding marking and other important facts that may affect your merchandise when it is imported or exported.

## TRANSPORTATION

Ezra is bound to do effectively all Transport Operations (from UAE) covering Air & Sea Freight, Haulage, Mega Site management, Removals, Land Transportation and all encompassing duties that directly affect the Transports' Operational capability in logistics operations. Our competitive rates along with our friendly dealing with customers, through our dedicated & experienced staff have already gained us tremendous reputation leading to substantial increase in business.

## SHIPPING LINE AGENTS & CUSTOMS BROKERS

The port agency service provides comprehensive services to clear shipping in and out of ports, including liaising with customs offices, immigration offices and other authorities. Ezra Service has set out to change the way that the traditional ships agency operates, offering a complete portfolio of services that encompass full agency, hub agency, etc all designed to enable vessels to go in and out of port as efficiently as possible. Ezra believes that by managing multiple port calls in a predictable and structured manner, we can simplify your workload and give you peace of mind through dedicated employees.

## GENERAL WAREHOUSING

Ezra is concentrated in providing business storage space or warehouses to stock your goods, equipment, office furniture either in dry or in temperature controlled warehouse, whether you need short term or long term storage and regard less of the size of your business, Ezra can offer a wide range of business storage services to fit your needs.

## CARGO LOADING & UNLOADING

We are Specialized in Cargo Loading & Unloading to safeguard the interest of our clients, Ezra can do a wide range of other activities like Cargo Loading / Unloading, Container Crossruffing, Cargo Packaging.

**THANK YOU VERY MUCH
